Shining Star Kids Salon is a clean, bright, friendly natural hair salon where your child will be surrounded by positive thoughts and inspiring words as they get their hair done. At Shining Star, we realize that natural hair requires tender loving care. Whether it's kinky, coily, curly, baby fine or anything in between, our kid-friendly, professional stylists will take excellent care of your child's hair.

I AM

FEARLESS

ENTERPRISE

Since opening the salon Keisha Hickson launched the I Am Fearless Movement and wrote an I Am Fearless children's book. The I Am Fearless mission is to empower young girls and boys to be confident, their most authentic selves, and fearless in everything they do. We are teaching our kids, how to not only look past the mirror but how to also give back to the community.
